

## Papahānaumokuākea Mele (Song) Long Version Lyrics and Ukulele Chords

This song is called Papahānaumokuākea. It speaks of the union between Papa, Mother Earth, and Wākea, Sky Father, who gave birth to the Hawaiian Islands - and especially the tiny atolls which lay to the northwest of the main islands. It also describes some of the plants and animals that inhabit the atolls and why it is so important to protect this sacred place...
